Dear Mr. McKone:

We have received your request to extend the Elgin Industrial Park Development Project grant, number OREC-94-057. It is understood that additional time is needed to resolve land acquisition issues. Judy Wing of the Wallowa-Whitman National Forest, has reviewed the request and recommends that an extension be granted.

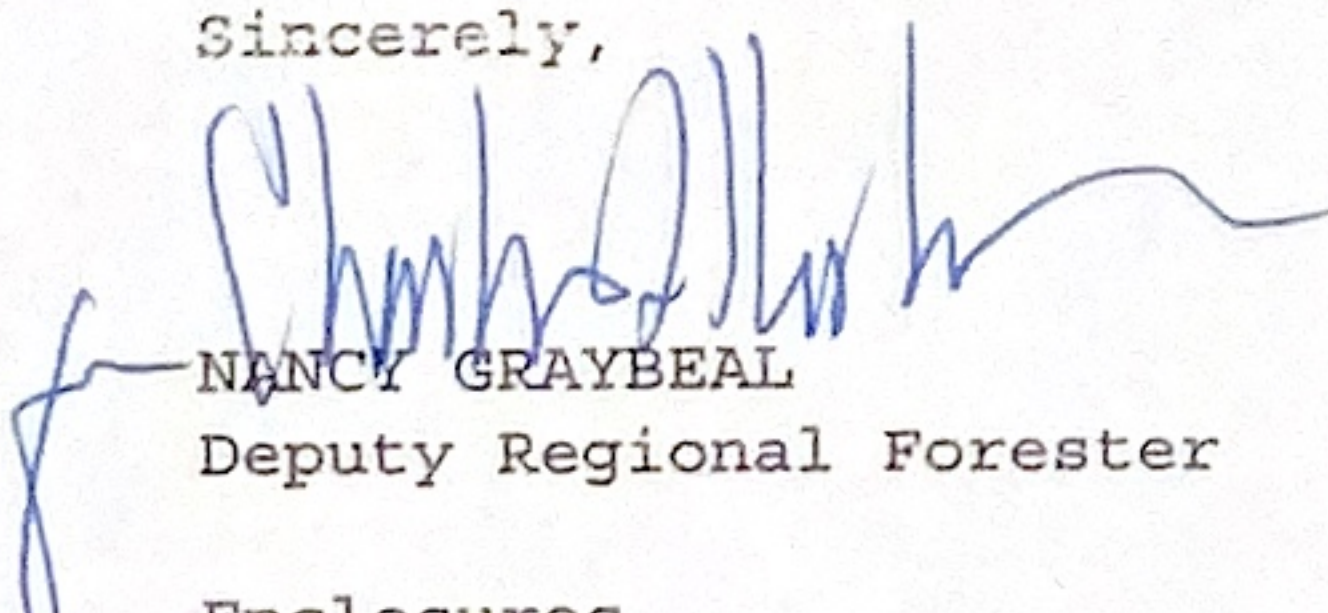

Your extension has been approved until August 31, 1996. Enclosed is a revised grant application reflecting a new ending date. All other requirements and conditions of the original grant remain in full effect.

To date, no funds have been requested of the original \$12,900 grant award. Remember that payments are made on a reimbursable basis of actual incurred costs up to 80 percent which would be \$10,320. The final 20 percent \$2,580, will be reimbursed after all match and grant requirements have been completed.

When the grant is completed, we ask that you send us a final accomplishment report of the project and a completed Financial Status Report (SF-269a). These are required in order to process your final reimbursement request.

Please continue to work with Judy Wing on this grant. She can be reached at (503) 963-7186. The Cooperative Programs Staff in this office are also available if you need further assistance.

Sincerely,

NANCY GRAYBEAL
Deputy Regional Forester
